THE SPECIAL REQUEST

Assalamu A'laikum WWB,

Nessa Foundation was founded by Mr Mujibur Rehman Chowdhury in April 2010, who is an excellent enthusiast in voluntary social development activities. Later that year he met some other enthusiasts in the same path and they start working together as a group to get their voluntary work more effective.

In April, 2011 they officially get their charity registered in United Kingdom. Since they started, Nessa Foundation has already restored hundreds of orphans' lives, contributed in "Africa Drought Appeal", built Mosques and orphanage and they are still working hard to continue succeeding in many different projects.

AN APPEAL

If you make a contribution at least £1 per month, then it would cover up for an orphan child three times daily meal and if you add few more extra pounds, it would be sufficient to provide full time education and many other necessary things of the orphans. By this way, you can make smile of these orphans. To donate generously, please fill in and set up a standing order, from your local UK bank account. Please keep and inform to your friends and family members to get involve with the orphanage for receiving reward from Allah (SWT)

Yours sincerely,

Mujibur Rehman Chowdhury
